CARLO GAVAZZI

Sensors   **Switches**   **Controls**

Application notes

Application Note : February 2022

Market involved : -

Product : Product Solution Search App monitoring relays /timers

Customer : OEMs

Subject : Direct link to documentation

CUSTOMER ISSUE :

The user needs information immediately on a part number he/she already has in mind.

OUR SOLUTION :

With "Search by product number", the PSS App allows the user to directly enter the product part number for immediate access to the datasheet.

BENEFITS :

- The user saves time on searching.
